## A Message From Our Principal

---

Dear Lilja Families,

It was such a pleasure to watch your children in action this week. All were hard at work practicing our Lilja Lions routines, and whether in the lunch room or out at recess or in class, your children were super stars! (A lot of my time was spent in the lunchroom, and I enjoyed the chance to chat with many of your children while they munched.)

In class wonderful things are afoot as well. I saw children enjoying read-aloud, thinking about the right mascot for the year, exploring shapes and numbers, and thinking about community norms.

As I'm sure you heard from your children, much more was happening that I didn't get the chance to see. The positive energy coursing through the building this week was a wonderful thing!

I hope you all enjoy a safe and happy long weekend.

We can't wait to see your children again on Tuesday!

Best,

Anne Carothers
